

# HEAVY-DUTY LIQUID CLEANER

AUTOMOTIVE CLEANER / DEGREASER - #4359

## PERFORMANCE RATINGS:

Cleaning - 8 • Foaming - 4 • Corrosive - Light

## OUTSTANDING FEATURES

- Cleans concrete and painted floors.
- Removes transportation coating.
- Cleans exterior and interior automotive surfaces.
- Non-caustic formula.

## DESCRIPTION

A versatile cleaner that works great as a floor-cleaner, transportation-coating remover and all-purpose cleaner/degreaser. This fast-acting formula removes grease and grime from concrete or painted floors, engines, tires, rims, plastic, and vinyl.

## APPLICATION

**Floors:** dilute 1:10 to 1:30 with water.

**Transportation Coating:** dilute 1:2 to 1:10 with water.

**General Cleaning:** dilute 1:4 to 1:30 with water.

**1)** Dilute product with water according to chart above. **2)** Apply solution to surface with a mop, brush or sponge. **3)** Allow product to remain on surface for 1-5 minutes **4)** Rinse and clean with water.

**Test product on an inconspicuous area for compatibility before using it on the entire surface.**

**Avoid prolonged contact with aluminum, magnesium, and painted surfaces. Can cause spotting or damage, always use in diluted form.**
