

BRIGHT SHINE

SILICONE-FREE

AUTOMOTIVE DRESSING - #5131

PERFORMANCE RATINGS:

- Gloss - 8 Durability - 3

OUTSTANDING FEATURES

- A versatile, water-based dressing that is both VOC-compliant and body shop safe.
- Shines and protects interior and exterior surfaces.
- Silicone-free formula will not "fish eye" freshly applied paint.
- Color-coded compliant packaging.

DESCRIPTION

A special, water-based, concentrated dressing for use in places where silicone is undesirable. This product is designed for use in body shops, on trim, vinyl, and rubber.

APPLICATION

Make sure tires or trim are clean and dry before applying product. 1.) Apply product with a trigger sprayer, sponge, or brush until there is complete coverage. 2.) Allow product to dry and wipe away excess with a clean towel (to prevent "sling"). Important! Excess product and improper application of dressings on tires may result in product "sling" or splatter which can stain adjacent painted surfaces of a vehicle.
